

WCUUSD CORE BELIEFS

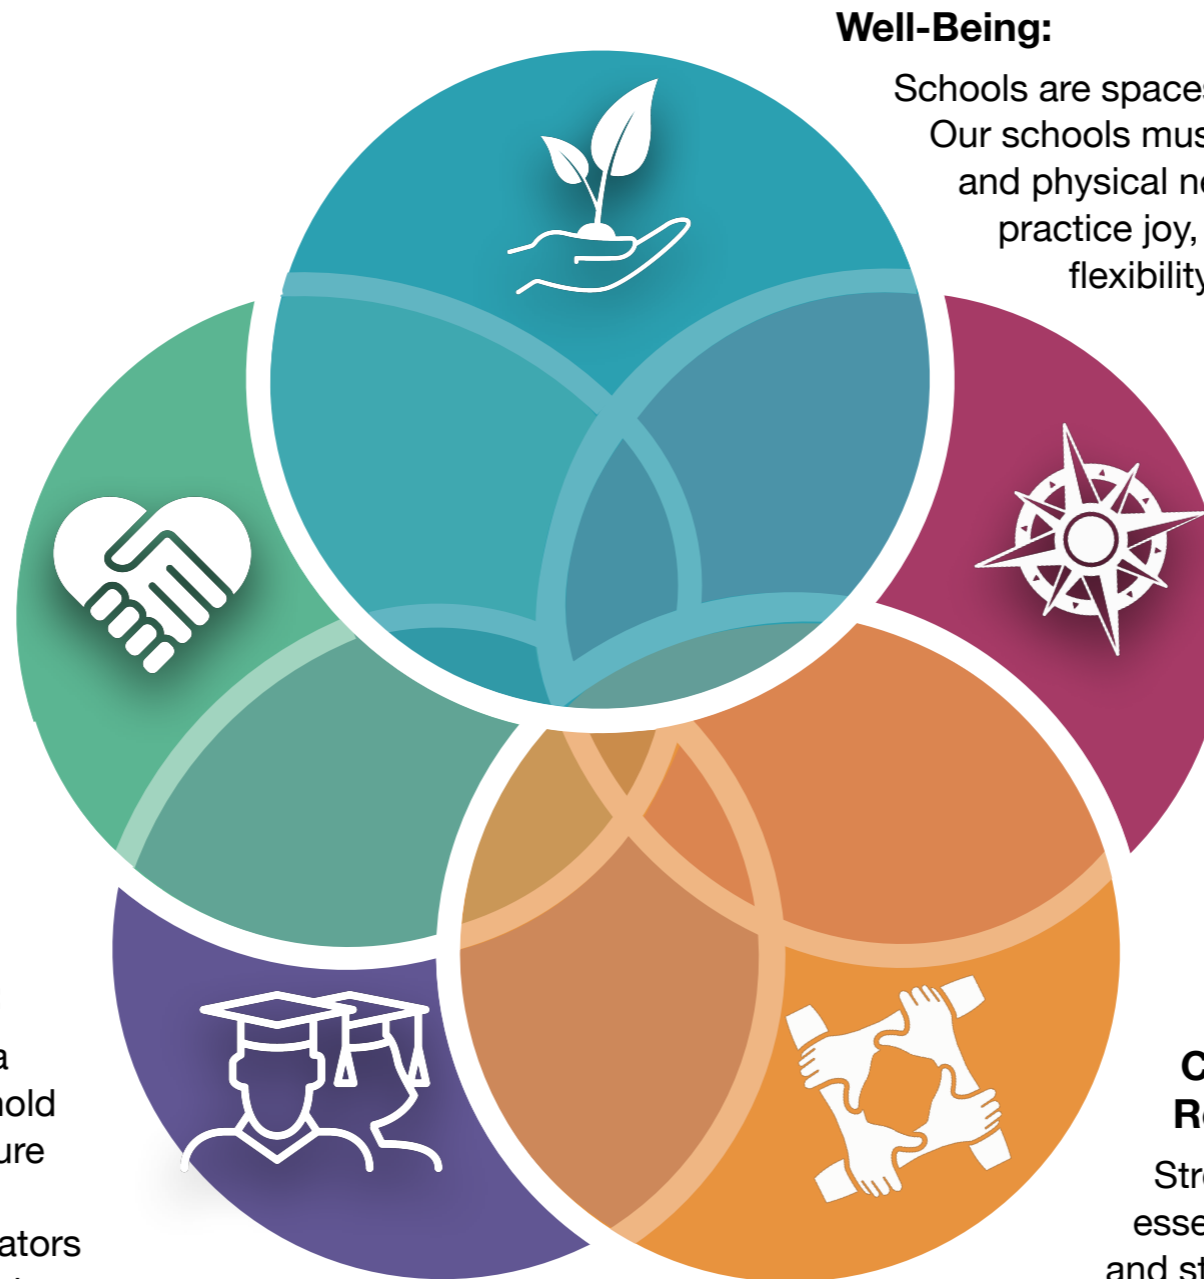

MISSION: WCUUSD exists to nurture and inspire in all students the passion, creativity, and power to contribute to their local and global communities.

Humanity, Justice, Community and Belonging:

Schools respect, value, and welcome all people. Our schools build belonging by honoring diversity, centering equity, and celebrating the different experiences we all bring to our community. We will continue to learn and adjust our practices to create a more just and humane world.

Rigorous Curriculum and Instruction:

ALL students can learn, thrive, and make a difference in their communities. Schools hold high expectations for all students and ensure they see their lives and the lives of others reflected in a meaningful curriculum. Educators nurture and inspire students so that students can direct their learning, celebrate their developing identities, pursue interests, and create meaningful pathways to graduation and lifelong learning.

Well-Being:

Schools are spaces where people feel safe and valued. Our schools must meet the academic, social-emotional, and physical needs of all students. We foster and practice joy, kindness, empathy, inclusivity, and flexibility.

Transparent and Responsible Leadership:

All decisions about our schools must be student-centered. We make decisions using data and input from students and the community. Our processes are clear, predictable, inclusive, and transparent.

Community Engagement and Relationships:

Strong, positive relationships are essential to our schools, communities, and students. We nurture connections among people and places. The community is engaged in our schools and our students are engaged in the local and global community.
